THIRTIETH ANNUAL REPORT
OF THE TRUSTEES OF
THE · AVON HOME.

MORE than thirty years have passed since the Avon Home first opened its doors to "children found destitute within the limits of Cambridge," and during that period — nearly a generation — 439 children have been cared for.

Sixteen children have left the Home during the year, of whom ten have returned to their parents; four are to be brought up by other relatives who have large families of their own. Two children have been boarded at the expense of the Home, making six now in private families under our supervision. This way of extending the usefulness of our work, which was mentioned last year, is, on the whole, so satisfactory that it will undoubtedly be used more and more. Since 1 March 41 applications have been received, of which 29 were for children under five years of age. Only fourteen children could be admitted out of the large number who applied; the accommodations for babies and very young children are now so limited that the Trustees may decide this year to set aside another room and employ an extra attendant for children under four years of age.

A new matron, Mrs. E. F. Dupeé, was engaged in February, and there has been a marked improvement in the care of the house and of the children since that time. We are glad to record that no serious illness has occurred.

During the year we have learned of two legacies: one thousand dollars from James A. Woolson, and two hundred dollars from Miss Jane Chapman. A gift of five hundred dollars has been received from Mr. Andrew McFarland Davis, to be called "The Henrietta Parker Whitney Davis Fund," and from Miss E. S. Bulfinch fifty dollars at the request, and in memory of her mother, Mrs. Caroline P. Bulfinch. The Avon Home, as residuary legatee, has also received six hundred and fifty-eight dollars from the estate of A. R. Dearborn of Seattle, Washington. From the May Sale this year nearly nine hundred dollars was realized. The Permanent Fund has been placed in charge of a committee of three Trustees, thus relieving the Treasurer of much care and responsibility.

The children have made excursions to Lexington Park, Norumbega Park, Revere Beach, Waverley Oaks (twice), and, through the kindness of General William A. Bancroft, they went by special car to City Point. They were also invited to a Christmas Tree at Miss Roberts' Kindergarten, and were entertained in June by the Sunday School of the Third Universalist Society. The Avon Club has kept up its interest in the Home, and has also continued to provide the entire support of one boy. A ladder for climbing, a swing, and teeter boards for the children have been set up in the playground. Many gifts for Thanksgiving, Christmas, and for other times and seasons must be gratefully acknowledged; they will be mentioned at length elsewhere in this report.

It is gratifying to hear from time to time that children whom we have cared for have become upright and successful men and women; some have been well married, some are teachers, one is a trained nurse, another is a typewriter, a third is a printer.

While we are grateful for every addition to the Permanent Fund, let no one imagine that the need for annual gifts of money, food, and clothing no longer exists. The daily food and clothing still have to be provided, and the larger expenses for the repairs of the house and the renewal of the furniture have to be met, while the board of the children in private families greatly increases the cost of maintenance.

For the Trustees,

WILLIAM TAGGARD PIPER, *President*.

Vacancies shall be caused by death, resignation, or by failure to attend for twelve consecutive months some meeting of the Corporation, without excuse satisfactory to the Trustees. When such failure occurs, the Trustees shall by vote record the fact, and declare the membership vacant. Vacancies shall be filled by the unanimous vote of the remaining Trustees. This article of the By-Laws shall not be altered, except by the unanimous vote of the Trustees.

ARTICLE III.

They shall severally perform the customary duties of such officers ; and the President, or a committee previously appointed for the purpose, and Treasurer shall

report at the annual meeting. The accounts of the Treasurer and of the Committee for the care of the Permanent Fund shall be audited at least once every year. The Trustees may, from time to time, appoint committees to aid in the transaction of business.

At the annual meeting the Trustees shall elect, to serve till the next annual meeting, a Board of Advisers, to consist of five or more persons, not Trustees, who may be called upon to consult and advise with the Trustees, and may be requested to meet with any of their committees or to assist in their work.

ARTICLE IV.

Regular meetings shall be held every month at some convenient place. Special meetings may be called by the President or any two Trustees, upon two days' notice, to be given by the Clerk. Eleven Trustees shall constitute a quorum at the annual meeting, and seven Trustees at any regular or special meeting.

RULES OF THE AVON HOME.

I. In admitting destitute children to the Home, preference shall be given in the following order: *First*, to orphans and foundlings; *Secondly*, to those whose parents or guardians surrender them to the Corporation for the purpose of adoption, or during minority; and *Thirdly*, to those not so surrendered.

Boys over seven and girls over twelve years of age shall not be admitted to the Home; and, in general, boys over nine and girls over thirteen shall not remain at the Home.

Any child admitted to the Home temporarily, without the parent or guardian giving up the child to the Corporation, in writing, for the purpose of adoption or during minority, shall be admitted for a definite time only; and at the end of that time, if the same reasons continue to exist, the Trustees may readmit the child for a further definite time, unless the child is given up as above stated.

II. Except in cases of urgent necessity, no child shall be admitted to the Home without the consent, in writing, of two members of the Committee on Admission, or should there not be two members in the city, of any three Trustees, and a certificate of examination from the Visiting Physician. Each child shall be admitted to the Home for three months on probation; this period may be extended three months longer at the discretion of the Committee on Admission. Each case, accompanied by a full statement of the circumstances, shall be reported to the Corporation at its next regular meeting, and at the end of the period of probation the Corporation shall decide whether or not to admit the child for a definite time.

III. Every child must be vaccinated before entering the Home, unless specially excused by the Committee on Admission.

IV. No visit of a longer period than a day, or over night, to friends or relatives shall be allowed unless under distinctly favorable conditions, approved by one member of the Committee on Admission and the Matron, and reported in writing to the Trustees at their next meeting.

V. All the children shall attend the same Protestant church and Sunday School, unless specially excused by vote of the Corporation.

VI. In case of death, no child shall be taken from the Home for burial without a religious service being held at the Home, except with the consent of one of the Committee on Admission, who fully understands the reasons for removal.

VII. The parents and relatives of the children shall be admitted to the Home on the first Sunday and third Thursday of each month, from 3 to 5 P. M., and at no other times, except by a special written permit from one of the Trustees. The nursery and playroom only shall be open to the parents and relatives of the children, except in cases of sickness.

Others interested in the Home will be welcome at any time.

VIII. The Matron shall have full authority in the Home, subject only to these rules and the votes of the Corporation and of the Executive Committee. She shall attend the meetings of the Committees on Adoption and Discharge, on Provisions and House Supplies, and on Clothing.

The Matron shall keep a journal of daily happenings and from it make a short written report for the regular meeting of the Corporation, mentioning such exceptional matters as should be made known to the Corporation.

The Matron and Assistant Matron shall not be absent from the Home at the same time, unless by special consent of the Monthly Visitor.

IX. At the annual meeting, or as soon thereafter as possible, the President shall appoint the Monthly Visitors for the ensuing year, arranged in two lists, those on one list to begin visiting on the first of each month, and those on the other list to begin on the fifteenth, each to visit the Home one month. It shall

be the duty of the Visitors, during their term, to visit the Home at least twice a week, and at various hours of the day, some of these visits to be on the visiting days for parents; to examine all parts of the house and to report in writing at the regular meeting, stating the number of children at the Home and the changes that have occurred since the last meeting, and making any suggestions and criticisms regarding the management of the Home that should be brought to the attention of the Trustees.

X. The Standing Committees of the Corporation, to be appointed by the President at the annual meeting, shall be as follows:—

1. A Committee on Admission, who, in addition to the duties mentioned above, shall keep a register containing the names, ages, and birthplaces of the children, date of admission, and any other information obtained.

2. A Committee on Adoption and Discharge, who shall be thoroughly acquainted with the case of every child placed in the Home, and shall, so far as possible, secure permanent homes elsewhere for those given up to the Corporation. They shall also continue to have an oversight of all children who have left the Home, but have not returned to their parents or immediate relatives.

3. A Committee on Clothing, who shall have entire charge of all clothing that goes into the Home, and shall attend to all cutting done there. Every gift of clothing of any kind, if sent first to the Home, must be laid aside by the Matron, and not used till examined by one of the committee. Every gift of goods or money for clothing is to go to the chairman of the committee.

4. A Committee on Provisions and House Supplies, who shall have entire charge of that department.

5. A Committee on Repairs, who shall attend promptly to all necessary repairs, when the amount to be expended does not exceed fifty dollars; an amount exceeding that sum must not be expended without previously obtaining the consent of the Corporation.

6. An Executive Committee, who shall have, in the interval between the meetings of the Corporation, all the powers of the

Trustees, except as to the expenditure of sums exceeding fifty dollars. This Committee shall report any exercise of its powers at the next meeting of the Corporation for its approval.

The chairman of each committee shall present at the annual meeting a full report, in writing, of the work of the committee for the preceding year.

XI. All bills shall receive the written approval of the committee or person authorized to make the expenditure before payment by the Treasurer.

XII. The Committee of Three for the care of the Permanent Fund shall have the care and custody of all securities and other investments held for the support and maintenance of the Avon Home, and shall collect the interest and other income and pay the same to the Treasurer, who shall receipt therefor. They shall make all permanent investments, keep an account thereof and of the income therefrom, and report to the Corporation at the annual meeting, and such other times as the Corporation may request. They shall rent a box in the vaults of the Cambridge Trust Company, which shall be opened only in the presence of two members of the said Committee.
